BOOSTS READING CONFIDENCE!

With this picture of the day routine, students will get a chance to “read the picture” and practice applying key comprehension skills, without having to read an actual text.

How does Picture of the Day Work?

- Students study the picture.
- They apply the comprehension skill to that picture.
- Students respond in writing or discuss their ideas with the class.

OPTION 4: Digital Version

I love to provide both print and digital options in my resources. This resource includes a digital version created using Google Slides.

In addition to the print version, you get a digital version created using Google Slides for all the passages, response pages, and graphic organizers.

Rest assured, you can use this resource in both face-to-face and virtual classrooms.
